English Language Program – Historical evidence that students have successfully pursued post-secondary studies in English

**Language Programs:**
**Academic Peer Support (APS)** provides graduate, undergraduate and exchange students with one-on-one English language writing assistance on assignments, cases and papers. Students with English as a second language can bring their written work in for review, advice and feedback on grammar, structure, and citations. Students may also utilize these sessions to practice their spoken English for academic purposes.

The **York University Language Institute (YUELI)** offers an 8 week (July and August; November and December) intensive non-credit course for students who wish to improve their English skills (fee is required). Students should have an intermediate proficiency level in English. For more information on YUELI, please refer to their website at: [http://yueli.yorku.ca/](http://yueli.yorku.ca/)

**Academic Requirements:**
We trust that Exchange Coordinators will select appropriate students to attend.

**Full-time Workload:**
All students must be registered in a full-time workload. A full-time workload is four or five full courses in a term. Each full-time course (.030) is equal to 3 Schulich credits. A full course load is considered to be either 12 Schulich credits (4 full-time courses) or 15 Schulich credits (5 full-time courses). A full course has 3 hours of class per week for 13 weeks, equalling 36 contact hours per course. Note that if a class includes an exam the total contact hours will total 39 hours. Schulich also has some half term courses (.015) for the graduate program. Two half courses (1.5 Schulich credits each) equals one full course.

Learning Expectations: Elective courses at Schulich have small class sizes where professors use a variety of teaching methods including lectures, case studies, individual and group projects, term papers, business games, presentations, exams and classroom discussions. Attendance is mandatory. If a student does not wish to continue in one of their registered courses, they must formally withdraw. Failure to do so will result in a grade of ‘F’. Class participation is usually part of the final grade.

Exams: Final exams take place the week(s) following the last day of classes. Most exams are in written format. Students should not make plans to travel home before the end of exams.

Grades and Transcripts Grades will be awarded for every course in which a student is enrolled. An official transcript is sent to the home institution. Additional transcripts can be ordered online through the Registrar’s Office. Students are able to view their grades online. Schulich uses a letter grade system: MBA: (A+, A, A-, B+, B, B-, C+, C, C-, F), BBA: (A+, A, B+, B, C+, C, D+, D, E, F).
