Alternative Exchange is offered through the MBA (Executive) program. You may apply to take these international intensive courses and receive 6 UOC from AGSM in lieu of taking the foundation course International Business.

MBAX/MBT & FT MBA: In some cases you may be approved to take one of these courses as an elective in your program.

Eligibility:
To be eligible to apply for Alternative Exchange you must have successfully completed a minimum of three AGSM core courses at the time of application.

*Please note that if you are an MBA (Executive) student and you take an Alternative Exchange International Intensive course you are then ineligible to apply for the International Exchange Program (traditional full semester exchange).

How to apply
If you are interested in being nominated please contact AGSM’s Global Partnerships Coordinator Lisa Barrett on mbaexchange@agsm.edu.au with the subject heading ‘Alternative Exchange’, and the relevant application form and further details will be emailed to you.

On receipt of your application there is an approximately 2 week turnaround. If your application is approved you are nominated directly to the partner school.

Please note that there are limited spaces available for AGSM students. Deadlines vary for each intensive option and a summary of all courses and timings is below. Reminders will also be posted in the weekly student newsletters.
