Grades are generally released prior to the following residential, sometimes shortly after. EAY4 grades are released approx. 4 weeks after the final cohort has submitted the final assessment.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for effected students however this is not always possible.
