- * Early enrolment is advised to secure preferred venues and class times. Popular classes fill very quickly on the opening day. Please don't enrol in classes you don't intend to proceed with as this impacts your colleagues and the viability of scheduled offerings. Classes with low enrolments at the end of the enrolment period may be closed. AGSM Experience operates Wait lists and, where space permits, enrolment may be facilitated until the end of the first week of session. You may attend an alternate class up to 3 times due to illness or travel etc.
- * Students accepted into the MBT program up until and including Session 1 2015 (Term 5154) have until Term 2 2019 to complete their Masters of Business & Technology and be awarded an MBT by UNSW Australia.
- * Student Services and Amenities Fee – This fee is charged & payable per Term, based upon study load at the incurral date. For information about the SSAF click here and for payment options click here. <https://student.unsw.edu.au/ssaf>
- * UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that programs, program structures, courses, course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for effected students however this is not always possible.
