### Course Equivalencies

**MBA (Executive)** & **MBAX** may enrol in the equivalent Core course(s) of an alternative Program. AGSM MBA programs are designed to ensure that all AGSM MBA graduates have the same core skills and knowledge, and as such a range of MBA & Stage 1 courses and MBAX Core courses are equivalent to each other while being offered in different formats. The table below shows the equivalent courses across program Core & Elective courses.

### Online Courses

Course delivery occurs over a 12-week period through the online e-learning platform Moodle. Students are required to complete coursework, reading, and assessment; and participate in regular online discussions and/or activities.

### International

MBA (Executive) students can take MBAX specialisations as electives except: MBAX6272 Change Skills (due to overlap with MNGT6211 Executive Blueprint); any capstone courses; or CSI Courses: COMM 5713 Collaboration for Social Impact, COMM 5702 Leadership for Social Impact, COMM 5707 Social Impact Field Study.

### Waiting List

Early enrolment is advised to secure preferred dates and courses. Students are encouraged to check weekly that your desired class is full and you wish to be waitlisted. Enrolment may be facilitated until the end of the first week of session, subject to availability.

Please note classes with low enrolments may be cancelled.

Please do not enrol in classes you do not intend to proceed with as this impacts your colleagues and the viability of scheduled offerings.

### Course Delivery

Course delivery is designed as a stay-in/overnight residential course inclusive of accommodation and catering. Residential courses are offered in Stage 1 and Stage 2 of the MBA (Executive) and incur a residential fee (see below for details). Residential courses require 100% attendance and for students to stay in the accommodation provided for the entirety of the course.

### Course Intensive

Course delivery occurs over a 12-week period and includes 1 week evening face-to-face 90 minute class (generally 6:30pm), for 20 or 12 weeks (can vary per course). Weekly courses require a minimum of 80% attendance. You may need to complete 3 alternate classes as a visitor due to illness, critical work projects or travel.

### Course Online

Course delivery occurs over a 12-week period and includes 1 or 2 intensive weekends for classes. Intensive courses require 100% attendance and students are required to complete coursework, readings and online activities/dischuress through Moodle prior to attending class. If 100% attendance is not met a student must apply for Special Consideration within 3 working days if order to remain in the course (through Central UNSW & meet the criteria).

### Course Residential

Course delivery occurs over a 12-week period and includes 1 week evening face-to-face 90 minute class (generally 6:30pm), for 20 or 12 weeks (can vary per course). Weekly courses require a minimum of 80% attendance. You may attend up to 3 alternate classes as a visitor due to illness, critical work projects or travel.

All Capstone courses should be completed last unless special approval sought.

### Course Full-time MBA

For eligibility advice on International elective courses contact Student Experience.

### Course Requirements

**Enrollment Restrictions or Notes**

**MBAX9111** Leadership in a Complex Environment (MBA9111) should not be taken by MBA students seeking to transfer into the MBA (Executive) for Stage 2, nor is it available to MBA (Executive) students due to overlapping course content with courses in Stage 2 of the MBA (Executive) Program. Students cannot both complete COMMG902 Leadership for Social Impact & MBAX9131 Leadership.

**MNGT6584** Complex Adaptive Leadership can be taken by MBAX students as an elective but not as a replacement for core MBA9131 LACE. MBAX students can take both MNGT6584 CAL & MABAX9131 LACE. Students based in the UK or China don’t do CAL if they are located in the UK or China when studying any part of it (due to trademark issues). It’s allowed if they are studying within Australia.

### Course Electives

**MBA Core**

MBA (Executive) students can take MBA core courses as electives (except MBA9131 Executive Blueprint in the Complex Environment as per above).

**MBAX Core**

MBAX students can take the MBA Core course Strategy Management (MBAX9141) as an elective but please note there is crossovers of concepts with MBA Stage 2 DAY.

**MBAX Specialisations**

MBAX (Executive) students can take MBAX specialisations as electives except: MBAX9121 Change Skills (due to overlap with MBA9111 Executive Blueprint), any capstone courses, or CSI Courses: COMM 5713 Collaboration for Social Impact, COMM 5702 Leadership for Social Impact, COMM 5707 Social Impact Field Study.
