* From Term 1, 2021, we introduced MBA9131 Leadership as the compulsory commencement course into the MBA (Executive) program. Students who commenced MBAX (Online) prior to Term 1, 2021 will not be required to undertake MBA9131 Leadership but may do so if they wish, as a core course.

From Term 1, 2021, we are introducing MBA9131 Leadership as the compulsory commencement course into the MBA (Executive) program. Students having previously undertaken MNG7211 Executive Blueprint may not take MBA9131 Leadership.

There may be other courses that have some overlap with material in this course as you progress through your MBA degree program eg in the Social Impact specialisation COMM5702 Leadership for Social Impact. In this instance, the content and focus are different, enabling you to broaden and deepen your knowledge and skillset.

MBA (Executive) and MBAX (Online) Common Core

Has 4 compulsory core courses (common core) which are listed under MBAX and MNGT course codes depending on the delivery mode (MBAE + Online WEB class) Accounting & Financial Management (AFM), Corporate Finance (CF), Managing People & Organisations (MPO) and Marketing Management (MMT).

MBAE students can take the majority of MBAX (Online) courses below as elective options. MBAX (Online) courses that are not common to the MBAE and MBAX (Online) specialisations, where an exclusion is not noted, may be taken as MBAE electives.

MBAE students can take MBA (Executive) specialisations as elective options. MBA9127 Change Skills (due to overlap with MNG7211 Executive Blueprint) and MBA9128 Entrepreneurship, due to considerable overlap with MNG7186 Innovation (EAT). Similar MBAX students considering moving into MBAX should not take MBA9127 Entrepreneurship as a prerequisite for the same reason, any capstone course, or CE Courses: COMM 5713 Collaboration for Social Impact, COMM 5702 Social Impact Field Study.

International Study Opportunities

AGSM (UNSW Business School) believes in international experience as an invaluable part of any MBA. If you can make that happen, we are a proud member of both the PM and INMAM international networks. Partnership in International Management (PIM) is an international consortium of business schools from around the world which provides a framework for international cooperation primarily at the graduate level. This network of 45 leading business schools provides AGSM students the opportunity for a variety of short and long term exchange opportunities across a number of schools. The Global Network for Advanced Management (GNAM) is a powerful platform created by 30 of the world's leading business schools. As the only Australian university in the network, this provides a number of unique international opportunities for AGSM students, including the exclusive chance to apply for participation in Global Network Weeks around the world.

MBA Full-time

There are opportunities to cross program enrol into AGSM Full-time MBA Program electives. These are generally 3 hour weekly classes (9:30am-12:30pm or 1:30-4:30pm), during business hours at the AGSM Kensington Campus (AGSM Building). Details of the full-time MBA Schedule are located on the AGSM Timetables and Key Dates page. [Link to AGSM Full-time MBA Courses](#) [Link to AGSM Timetables and Key Dates](#)

AGSM reserves the right to alter any offering if circumstances require. Every effort will be made to find an alternate option for affected students, however this is not always possible.

UNSW Policy requires that programs and materials be reviewed on a regular basis. Please note that program structures, courses, and course content and facilitators are subject to change. Changes may have different impacts on students at different stages of their progress. If you would like assistance with your program enrolment, please contact Student Experience for a Program Consultation. We anticipate our scheduling to be impacted by COVID-19 for the foreseeable future and this may require very late changes to arrangements.

Annual Course Calendar 2021 - Notes

MBA (Executive), MBAX (Online) and Graduate Certificates

Class Modes

Face-to-face Weekly or Fortnightly evening classes.

Course delivery occurs over a 12 week Term.

F2F Weekly classes run 6-7:30pm for 10 weeks of course content & week 11 is revision.

F2F Fortnightly classes run 6-9pm fortnightly commencing in week 1, covering 2 class units.

The evening class format for Term 1 2021 is confirmed as fortnightly and will run in the Odd weeks of term for attendance (ie week 1, 3, 5, 7, 9 (course content) & week 11 (revision)). Weekly and Fortnightly classes require a minimum of 80% attendance. Due to strict social distancing requirements, attendance at an alternate class due to illness, family or work commitments must be approved by Student Experience, pending the class size, group work progress and whether an alternate night is running.

If you are feeling unwell in the lead-up to Weekly or Fortnightly F2F class do not attend class and seek medical advice. If this means that you will not be able to attend, please let Student Experience and your Facilitator know and apply for Special Consideration. Please consider the health and safety of your colleagues.

Face-to-face Intensive weekend classes:

Course delivery occurs over a 12-week period and includes 2 intensive weekends. Intensive courses require **100% attendance** and students are required to complete **weekly coursework**, readings and online activities/discussions through Moodle **prior to attending** class. If 100% attendance isn't met a student must apply for Special Consideration within 3 working days if order to remain in the course (through Central UNSW & meet the criteria).

<https://student.unsw.edu.au/special-consideration>

If you are feeling unwell in the lead-up to an Intensive **do not attend class** and seek medical advice. If this means that you will not be able to attend, please let Student Experience and your Facilitator know and apply for Special Consideration within 3 working days. Please consider the health and safety of your colleagues.

Online WEB weekly classes:

Course delivery occurs over a 12 week period through the online eLearning platform Moodle. Students are required to complete coursework, reading, and assessment; and participate in regular online discussions and/or activities. This is a flexible format and does not have scheduled face-to-face meetings each week. Readings, learning activities and assessments are accessible online. Students are expected to log on to the course site on a regular basis (ie several times each week), for participation in discussion threads and activities which are due weekly. Many online courses include prescheduled video conferences for class introductions and assessment briefings. Dates and details of the video conferences will be made available by the Facilitator at the commencement of Term.

Online Virtual weekly classes:

Are delivered weekly online at a set day and time for 90 minutes eg 6-7:30pm ie similar to a weekly face to face class but with a virtual delivery. The link to the weekly session will be provided through the Moodle class site and is likely to be via the Collaborate Ultra platform or zoom. The classes will run for 10 weeks (10 course units) & week 11 for revision.

Global Network for Advanced Management (GNAM) - Global Network Week (GNW):

GNWs are planned to be offered 3 times in 2021: March, June and October. Students are able to apply for places in courses at top business schools around the world. Students can attend one GNW for one elective (6 UOC) and there are links to the syllabus, schedule, and video for programs on the GNAM website.

Course Equivalencies across AGSM Programs

MBAE and MBAX students may enrol in the equivalent Core course(s) of an alternative Program. AGSM MBA programs are designed to ensure that all AGSM MBA graduates have the same core skills and knowledge, and as such a range of MBAE Stage 1 courses and MBAX Core courses are equivalent to each other while being offered in different formats. The table below shows the equivalent courses across program Core and Elective courses.

MBA (Executive) Course	Course name	MBAX Course	Course name
MNGT 6275	Managing People & Organisations	MBAX 9125	Managing People & Organisations
MNGT 6210	Accounting & Financial Management	MBAX 9120	Accounting & Financial Management
MNGT 6321	Corporate Finance	MBAX 9123	Corporate Finance
MNGT 6251	Marketing Management	MBAX 9114	Marketing Management

MNGT 5321	Advanced Managerial Finance	MBAX 9137	Advanced Finance
MNGT 5312	Financial Statement Analysis	MBAX 9138	Financial Analysis
MNGT 5540	Business Modelling	MBAX 9142	Financial Modelling
MNGT 5325	International Finance	MBAX 9140	Global Finance
MNGT 5522	Mergers and Acquisitions	MBAX 9141	Mergers and Acquisitions

MBA (Executive) Elective Options

MBAX Cores

MBAE students can take MBAX core courses as electives. Please note potential crossover in concepts with MBAE Stage 2 as noted below;

- MBAE students who commenced prior to 2021, can *not* take MBAX9131 Leadership as an elective, due to overlap in concepts with MNGT6211 Executive Blueprint and MBA (Executive) Stage 2 EAY1 (MNGT7495 Strategic Leadership)
- MBAE students can take MBAX9143 Strategic Management as an elective but please note there is crossover of concepts with MBAE Stage 2 EAY4 (MNGT7498 Transformation).

MBAX Specialisations

MBAE students can take MBAX specialisations as electives except:-

- MBAX6272 Change Skills (due to overlap with MNGT6211 Executive Blueprint)
- MBAX9132 Intrapreneurship due to considerable overlap with MNGT7496 Innovation (EAY2)
- Any capstone courses (MBAX9155 Strategic Consulting Project or COMMS714 Social Impact Capstone)
- MBA (Medical Technology & Pharmaceuticals - MTP) electives are not available as MBAE electives.

MBAE Electives

Please regularly reference the MBAE structure page on the AGSM website for elective options under MNGT6xxx codes. In general MBAE will utilise the MBAX specialisations as non-common core as the primary source of electives.

MBA FT

MBAE and MBAX students may also apply to cross-program enrol into a selection of MBA FT electives, pending approval. FT MBA electives are usually offered in Term 3 & Term 4 but will vary in 2021/2022 with the incoming cohort commencing later in 2021 due to travel restrictions. There will be no Full-time MBA Electives offered in 2021 as the Program will undertake core courses in Terms 2 & 3, 2021. Please note FT MBA course fees are higher and priority is given to FT MBA and Exchange students. Most courses are offered during business hours and occasionally a weekend intensive option. Currently MNGT5180 Operationalising Strategy is the only FT MBA elective course *not* approved for Cross-Program enrolment. If you are interested in a MBA FT elective, please contact the Student Experience Team for further information and enrolment approval (studentexperience@agsm.edu.au).

GNW

Global Network Week (GNW) runs 3 times a year: March, June & October. If you have room in your program, students from MBAE and MBAX are able to apply for this short-form exchange at top business schools around the world. Students can apply for one of the GNAM schools for one elective (6UOC) and there are links to the syllabus, schedule, and video for programs on the GNAM website.

Course Fees

The Student Services and Amenities Fee (SSAF) is charged to all enrolled students. This fee must be paid at the due dates or you may receive a Fee Block which will prevent enrolment.

[SSAF Fee](#)

You can access information on student fees and payment [here](#).

Course Prerequisites

MBAX

All Finance specialisations have prerequisites of Core Accounting & Financial Management and Core Corporate Finance.

MBAX6274 Systems for Change has a prerequisite of MBAX6271 Approaches to Change.

The Capstone course MBAX9155 Strategic Consulting Project should be completed last unless special approval sought and approved.

MBAX9131 Leadership

Whether you are an MBA (Executive) or MBAX (Online) student, this compulsory foundation course should be completed as your first course. We suggest your first course should be studied as a single course, even if you choose to study multiple courses in subsequent terms.

MBA FT

MBA FT electives assume related core course knowledge. Eg Advanced Managerial Finance, Business Modelling and Quantitative Business Modelling all require Core Accounting & Corporate Finance. Elective MNGT5395 Strategies for Growth requires core MNGT5282 Strategy. Elective MNGT5203 Entrepreneurship from the Inside requires core course MNGT5202 Entrepreneurship and Innovation.

Enrolment Notes

MBAX9131 Leadership

From 2021, MBAX9131 Leadership is the compulsory foundation course for all new students in the MBAX (online) and MBA (Executive) programs. There may be other courses that have some overlap with the material in this course, eg COMMS902 Leadership for Social Impact and concepts in MBA (Executive) MNGT6211 EB and MBA (Executive) Stage 2 EAY1 (MNGT7495 Strategic Leadership). In such instances, the context and focus will be different, thus enabling you to broaden and deepen your knowledge. Is not compulsory for MBAX students who started prior to T1_20, but an optional core. MBAX9131 Leadership may NOT be taken as an elective by MBA (Executive) students or as a core by MBA (Executive) students who have taken MNGT6211 The Executive Blueprint (the previous commencement course in MBA (Executive)).

MNGT6211 The Executive Blueprint

From Term 1 2021, MNGT6211 Executive Blueprint will no longer be offered; MBA (Executive) and the MBAX (Online) programs will both commence with MBAX9131 Leadership, which will be available in face-to-face and online delivery modes depending on your location.

2 Courses at once

A single course typically requires 10-15 hours of effort (class time, reading, assessments, group work, dialogues) per week. We strongly caution students against trying to complete 2 courses at once, due to workload issues and the impact upon your WAM.

Course Codes

MBA (Executive) program course codes = MNGT6xxx, but has limited electives in these codes so refer to MBAX9xxx & MNGT5xxx as well.

MBAX (Online) program = MBAX 9xxx and can cross program enrol into MBA(Exec) core courses and electives where exclusions not noted;

The **MBA Full-time** program = MNGT 5xxx.

Progression Planning

Our amazing Student Experience Team are here to help you navigate the myriad of options available to ensure you maximise learning outcomes with AGSM.

To book a consultation please contact the team on 9931 9400 or studentexperience@agsm.edu.au

Wait Lists

In 2020 UNSW introduced [Course Waitlisting](#) (Step 1 of the enrolment process). In Term 3, 2020 AGSM participated in the [UNSW Class Registration Waitlist pilot](#). This functionality will allow students to waitlist for a class per mode, day and time. Early enrolment is advised to secure preferred class venue and time. Room caps for face-to-face classes vary in accordance with COVID-19 permitted maximum room capacity which is based upon room square meterage.

Enrolment may be facilitated until the end of Week 1, subject to availability. Please note classes with low enrolments may be cancelled.

Please do not enrol in classes you do not intend to proceed with as this impacts your colleagues and the viability of scheduled offerings.
