Course Code	Course Name	Class No. in MyUNSW	Class Name	Dates	Days	Time	Course Delivery Mode
MMGT6003	Business Economics	10116	MMBE	28-29 September & 23-24 November + Exam in week 12	Sat-Sun	9am to 5pm	Intensive

Intensive Class

(100% attendance requirement)

The course is offered in a blended format over 12 weeks. Students learn the content & interact with the facilitator online and also attend 2 compulsory intensive weekends (ie four days from 9am to 5pm).

Students are required to complete work online & readings *prior to and after* attending the Intensives (ie Activities from from week 1).

The course is delivered via **Playconomics**, which is the the first Interactive Immersive Course in the world. Playconomics covers both Microeconomics & Macroeconomics & comprises a videogame, ebook, educational videos, online community portal & range of assessments (in standard format or game-related) delivered through the game. The facilitator will cover the material in the traditional fashion, while also pulling examples from the dynamics that emerge from the videogame to illustrate the concepts in real time.
