4 April 2019

Guidance on Availability of Accounting Courses

The following courses contain content that is normally covered in an undergraduate major in Accounting:

Course Code	Course Name	T1	T2	T3
ACCT5908	Auditing & Assurances Services (ACCT5942 is a prerequisite)	Offered		Offered
ACCT5930	Financial Accounting (provides an introduction to Financial Accounting)	Offered	Offered	Offered
ACCT5931	Strategic Management Accounting (ACCT5996 is a prerequisite)	Offered		Offered
ACCT5942	Corporate Accounting & Regulation (ACCT5930 is a prerequisite)		Offered	Offered
ACCT5943	Advanced Financial Reporting (ACCT5942 is a prerequisite or a corequisite)		Offered	Offered
ACCT5996	Management Accounting & Business Analysis (provides an introduction to Management Accounting and ACCT5930 is a prerequisite or corequisite)	Offered		Offered

The following are advanced or specialized courses covering material that is not normally covered in an undergraduate major in Accounting. They may be offered in only one term each year as shown below:-

Course Code	Course Name	T1	T2	T3
ACCT5907	International Financial Statement Analysis	Offered		Offered
ACCT5910	Business Analysis and Valuation	Offered	Offered	
ACCT5914	Enterprise Strategy for Management Accountants	Not offered in 2019		
ACCT5919	Business Risk Management		Offered	Offered
ACCT5920	Managing Intangible Resources	Offered		
ACCT5925	Integrated Reporting, Integrated Thinking and Value Creation		Offered	
ACCT5949	Managing Agile Organisations		Offered	Offered
ACCT5955	Management Control Systems in Contemporary Contexts			Offered
ACCT5961	Reporting for Climate Change & Sustainability		Offered	Offered
ACCT5972	Accounting Analytics for Business Decision Making			Offered
FINS5526	International Corporate Governance: Accounting and Finance Perspectives (<i>may count as Accounting or Finance course but not both</i>)		Offered	

Note: Students with an Accounting major in their first degree should receive waivers for ACCT5930 and ACCT5996. A waiver exempts students from the prerequisite requirement for particular courses. Waivers do not reduce the need to complete eight courses for the program.
