

UNSW Business School - Accounting

Master of Professional Accounting (Programs 8409 and 8415)

10 October 2018

A. General Guidance on Selection of Core Courses

1. For a full load (18 UOC) full-time students with no exemptions should select in their first semester ACCT5930, ECON5257 (Half course), TABL5512 (Half course) and: ACCT5996. Note that ACCT5930, ACCT5996 and TABL5512 should be completed early as they are foundation courses for subsequent Accounting and Law courses.
2. ACCT5996 must be completed before ACCT5931 is attempted.
3. ACCT5942 must be completed before ACCT5908 is attempted.
4. ACCT5943 requires completion of or concurrent enrolment in ACCT5942.
5. In the unlikely event that students have a timetable clash that cannot be resolved or where a part-time student cannot attend a class only scheduled during the day, it may be possible to allow completion of a similar course offered by another university or by distance education (cross-institutional study). Regarding this possibility you should contact Dr Diane Mayorga (d.mayorga@unsw.edu.au) or Ms Kathy Song (kathy.song@unsw.edu.au).
6. See Table B over the page for more information relevant to the sequence of courses.
