

UNSW Business School/ Economics Economics PASS Leader applications 2020

The School of Economics is seeking Leaders for Peer Assisted Study Sessions (PASS) in 2020.

Applications are now open for positions as: Economics PASS leaders.

Economics PASS leaders

Economics PASS leaders will run study groups in either:

- ECON1101 Microeconomics 1, or
- ECON1102 Macroeconomics 1, or
- ECON2101 Microeconomics 2.

Hours may vary over the three terms as ECON1102 and ECON2101 are only offered in Terms 1 and 2, 2020. Students with results of at least 75 in these courses by the end of Term 3 2019 are eligible to apply. Approximately 8 new leaders are required.

Interviews and application process

Interviews for leader positions will be held in the week commencing 6th January 2020. Interviewees will be contacted by phone or email as soon as possible after the application closing date (2nd January 2020) to arrange a suitable time. Face-to-face interviews are preferred, though applications for interviews via Skype may be considered.

Successful applicants must be available to take part in training in early February 2020. Once Term 1 begins leaders will be required to attend a regular weekly meeting and to prepare for and run one or more weekly study groups. PASS requires both commitment from leaders and enough flexibility in their timetables to organise meeting and class times. This flexibility is difficult to achieve for those who have more than one day of work arranged in addition to their PASS and study commitments. We are not able to consider those who work for two or more whole weekdays per week.

Application instructions

Complete the Economics PASS Leader Application form at [this link](#).

The closing date for applications is January 2nd 2020.
