

# UNSW Business School/ Economics 2020 QUANTPASS Leader Positions

We're hiring Leaders for QUANTPASS – the Peer Assisted Study Sessions for Quant Courses!

## QUANTPASS Leaders

QUANTPASS Leaders will run weekly study groups in the following quant-heavy courses:

- ECON1202: Quantitative Analysis for Business and Economics
- ECON1203: Business and Economic Statistics
- ECON2206: Introductory Econometrics

We're looking for undergraduate students who have completed, and done well in, one or more of these courses. We'll be hiring between 5 to 10 new leaders.

Some tutoring experience (within or outside university) is a plus, but not strictly necessary. Most importantly, you should enjoy helping others to learn math, statistics, and econometrics! Students with a mark of at least 75 in one or more of the listed courses are encouraged to apply.

PASS leaders will run study groups over all three terms of 2020. Hours may vary over the three terms as some courses will not run in Term 2 of 2020. PASS leaders typically run multiple 90-minute study sessions each week, during term time.

Successful applicants must be available to take part in training in early February 2020. Leaders will attend a regular weekly meeting and run weekly study groups. This means that PASS leadership requires a strong commitment for the entire year, as well as enough flexibility in their timetables to organise meeting and class times.

## Applications and Deadlines

If you'd like to apply, please complete the QUANTPASS Leader Application form at [this link](#).

We'll be holding interviews for shortlisted applicants at the end of 2019 Term 3 (Dec 2 – 12) and before the start of 2020 Term 1 (Jan 6 – 10). Shortlisted applicants will be contacted to arrange a suitable time during one of the two periods. We'll be conducting interviews on-campus, but Skype interviews are an option for applicants who will be out of town.

The application closing date is **Jan 2, 2020**. However, if you wish to be considered for an interview in December 2019, you should submit your application before **Nov 30, 2019**. If you have any questions, please email Hongyi Li at [hongyi@unsw.edu.au](mailto:hongyi@unsw.edu.au)
