

INVITATION TO PARTICIPATE
Third Annual Online Workshop

Venture Capital and Private Equity in the Asia Pacific Region

Friday 9 November, 2013

12pm -2pm Hong Kong time.

The Asian Finance Association is pleased to invite interested academics and practitioners to participate in an online workshop.

The aim of the workshop is to bring together researchers and market participants to discuss recent research on venture capital and private equity and its broader implications for practice and policy.

Program :

Syndication networks as a capability builder in PE investments: Evidence from the Infrastructure Sector

Josephine N. Gemson, Indian Institute of Technology Madras

Limited partners and PE investment in China

Sarah Azzi, University of New South Wales

Do private equity investors conspire with ultimate owners in the IPO process

Gary Tian, University of Wollongong

Cross-Border Mergers and Acquisitions: The Role of Private Equity Firms

Mark Humphery-Jenner, University of New South Wales

The workshop will be held using Microsoft Live Meeting (access to be provided to registered participants).

Participants are required to have an internet connection and microphone.

There is no cost to participate.

To register or any queries, please contact Jo-Ann Suchard by **Wednesday 7 November, 2012**

Email: j.suchard@unsw.edu.au
