## INTI International University & Colleges – Foundation in Business Information Technology

Never Stand Still

Business School

Students who complete the **Foundation in Business Information Technology** program at INTI International University & Colleges may apply for entry to selected undergraduate degree programs at the UNSW Australia Business School. Applicants are required to have:

- Successfully completed the Foundation in Business Information Technology program and met the relevant degree entry requirements set in section A; and
- Undertaken a program of study that meets requirements outlined in section B.

Eligible students will be admitted to the first year of the degree program. No advanced standing / course credits are awarded upon entry.

### Section A: UNSW Business School undergraduate degree entry requirements

Program code	Degree program name	INTI GPA entry requirement <sup>1</sup>	Assumed Knowledge <sup>2</sup>
3502	Bachelor of Commerce	B+ (3.33)	Mathematics
3558	Bachelor of Commerce (International)	A- (3.67)	Mathematics
3543	Bachelor of Economics	B+ (3.33)	Mathematics
3979	Bachelor of Information Systems	B+ (3.33)	Mathematics
<u>Dual Degrees:</u> Students interested in completing a dual degree program offered by UNSW Business School (such as Bachelor of Commerce / Bachelor of Arts) may apply to do so through the UNSW Internal Program Transfer system after completion of their first year of study at UNSW.			
<sup>1</sup> GPA entry requirements will be assessed on a regular basis and may be subject to change.			
<sup>2</sup> Assumed knowledge in Mathematics requirement has been met by completion of MAT1215 Fundamentals of Mathematics in the INTI Foundation in Business Information Technology program.			

### Section B: Curriculum (as of May 2012) and program of study for UNSW Business School entry

For entry into the UNSW Business School degree programs listed in section A, INTI Foundation in Business Information Technology graduates need to have completed a program of study comprising the 7 compulsory subjects, 3 electives specified as required for UNSW entry, and 1 other elective as chosen by the student.

<i>7 compulsory subjects</i>

* Note that students will be required to complete these subjects from the list of electives to gain UNSW entry to Business School undergraduate degree programs.		

### Important Notes

1. Detailed information on undergraduate degree programs offered by UNSW Business School, including the range of majors available and dual degree options, is available at: <https://www.business.unsw.edu.au/programs-courses/undergraduate>.
2. Entry into most programs is available twice a year in Semester 1 (February) and Semester 2 (July). Application procedures and deadlines can be found at: [www.international.unsw.edu.au/study/applying/](http://www.international.unsw.edu.au/study/applying/).
3. All students will be required to satisfy English language proficiency requirements for admission to UNSW, via one of the English Language Tests or University English Preparation Courses recognised by UNSW. The UNSW English policy is described at: [www.unsw.edu.au/elp](http://www.unsw.edu.au/elp).
4. This schedule is based on assessment of the Foundation in Business Information Technology program curriculum and grading scale as of May 2012. It is the responsibility of INTI International University & Colleges to advise the UNSW Business School if the program changes.
