

Bachelor of Actuarial Studies/ Commerce 3155

Progression Plan for 2016 Commencing Students

Never Stand Still

Business School

Terminology	Definition
Program compulsory & flexible core courses	Courses which students must complete under their enrolled degree e.g. Bachelor of Actuarial Studies/ Bachelor of Commerce 3155
Commerce Major	<p>A sequence of approved courses (48UOC) in an approved discipline stream offered by the UNSW Business School (See Appendix A.), containing at least 18UOC at level 3. (Note that the 48 UOC includes the first disciplinary course(s) in the Core (Compulsory or Flexible). This means that, for the majority of majors, students will complete 42UOC in specified disciplinary courses outside the core.)</p> <p>For any majors that require ECON1202, MATH1151 will act as substitute of ECON1202, hence students will need to complete the remaining major courses to meet the major requirements.</p>
UNSW Business School Elective or Second major or Minor	Account for 42UOC (7 courses). These courses must be taken from Actuarial Studies or from the UNSW Business School. These UOC can also be made up of additional Actuarial Studies or Business School courses, or as part of a minor or major approved for the Bachelor of Actuarial Studies or Bachelor of Commerce. Note that, for some majors, additional study of courses above the minimum stipulated for the dual degree program may be required.
General Education	<p>Account for 12UOC (2 courses) and are to be taken outside the UNSW Business School. Please note that students enrolled in programs within the UNSW Business School cannot take General Education courses offered by the UNSW Business School (i.e. GENC code). These restrictions also apply to the following courses: GENL2015 The World of Work; GENL2021 An Introduction to the Australian Legal System; GENL2032 Cyberspace Law 2.0; GENL5021 Business Law Basics.</p> <p>View the list of General Education courses here: http://www.handbook.unsw.edu.au/vbook2016/brGenEdByFaculty.jsp</p>
