Business School

Terminology	Definition
Program compulsory core & flexible core courses	48UOC of compulsory and flexible core courses which students must complete under this degree. Maximum level one limit for the Commerce component is 60UOC.
Commerce Major	A sequence of approved courses (48UOC) in an approved discipline stream offered by the UNSW Business School (See Appendix A.), containing at least 18UOC at level 3. (Note that the 48 UOC includes the first disciplinary course(s) in the Core (Compulsory or Flexible). This means that, for the majority of majors, students will complete 42 UOC in specified disciplinary courses outside the core, except for the Real Estate Studies major.)
UNSW Business School Elective	0-12 UOC in UNSW Business School courses to ensure a student completes a minimum of 96 UOC of Business courses within the Bachelor of Commerce. The exact number of courses to complete will depend on the major chosen. GEN courses cannot count as Business School Electives.

Program Checklist:

- I have completed a minimum of 96UOC (16 courses) from the Business school
- I have completed 24UOC (4 courses) of compulsory core courses and 24UOC (4 courses) of flexible core courses
- I have completed a minimum of 48UOC (8 courses) and met the requirements for one Commerce major
- I have completed no more than 60UOC of level one course for the Bachelor of Commerce component.
- I have consulted the Faculty of Science for the Bachelor of Aviation (Management) component

* Students in this dual degree program should not take MATH1041. ECON1203, completed under the Commerce component of the program, fulfils this requirement. If MATH1031 or equivalent is completed under Aviation (Management) and the Commerce major requires ECON1202, then count MATH1031 under Aviation (Management) and complete another Commerce major elective to meet the 48uoc major requirement.

* Where MGMT2721 is counted towards Commerce, then student should complete another Aviation (Management) Stage 2 elective course, or vice versa.
