The School of Economics is seeking Leaders for the Peer Assisted Support Scheme (PASS) in 2017.

Applications are now open for positions as
1. Quant PASS leaders for ECON1202, ECON1203 and ECON2206
2. Econ PASS leaders for ECON1101 and ECON1102.

**Quant PASS leaders**
Quant PASS leaders will run study support groups in Business and Economic Statistics (BES), Quantitative Analysis for Business and Economics (QABE), Introductory Econometrics and possibly some similar postgraduate courses. Hours are likely to vary in both semesters due to the level of enrolments.

Applicants for Quant PASS positions are required to have a gained a grade of at least 75 in BES and any of the other courses for which they wish to be considered by the end of semester 2 2016. Approximately 10 new leaders are required.

**Econ PASS leaders**
Econ PASS leaders will run groups in either Micro 1 or Macro 1 in Semesters 1 and 2, 2017. Students with results of at least 75 in these courses by the end of semester 2 2016 are eligible to apply. Approximately 5 new leaders are required.

**Interviews and application process**
Interviews for leader positions will be held on Wednesday 23 November or Thursday 24 November. Interviewees will be contacted by phone or email as soon as possible after the closing date (November 16) to arrange a suitable time.

Successful applicants must be available to take part in training for two days in the week prior to O Week, on Tuesday 14 and Wednesday 15 February 2017. Once semester 1 begins leaders will be required to attend a regular weekly meeting and to prepare for and run one or more weekly study groups. PASS requires both commitment from leaders and enough flexibility in their timetables to organise meeting and class times. This flexibility is difficult to achieve for those who have more than one day of work arranged in addition to their PASS and study commitments. We are not able to consider those who work for two or more whole weekdays per week.
