The UNSW Business School is proud to announce the 2019 Dean's List Awards for Academic Excellence. This award was established to recognise the outstanding achievements of its students.

The recipients of the Dean’s List Award are postgraduate Business School students who achieved outstanding academic excellence in their Master’s programs. The award recognises the top student in each individually coded Master’s program or specialisation, based on overall performance (WAM).

This is an impressive achievement by these students and we congratulate them for their success.
